

Vaccinate today. Protect their tomorrow.

Keep kids healthy with the vaccines and booster shots they need. Medicaid and CHIP offer free or low-cost health insurance for kids and teens up to age 19. Children can get regular check-ups, immunizations, doctor and dentist visits, hospital care, mental health services, prescriptions and more. Families of four earning up to nearly \$50,000 may qualify (or even higher in some states).

Go to [InsureKidsNow.gov](https://www.insurekidsnow.gov) or call **1-877-KIDS-NOW (543-7669)** to learn more about affordable health coverage for your family.
